Georgina, Human Resources Coordinator, HR Team, Calgary

Hi, I'm Georgina and I am part of the HR Team. Shaw is an amazing place to work; if you don't believe me, just walk into any of our buildings and you will be greeted by one of our friendly employees.

Shaw is truly people-powered so we listen to each other's ideas. Just lately we created an internal blog where employees can post questions, ideas or comments. Our senior leadership team hears these and are currently changing the way we do business based on employee suggestions. It's really empowering to know our ideas are literally shaping the future of Shaw.
