Marcie, Team Lead, Real Estate Team, Calgary

Hi I'm Marcie, and what I like best about my role with the Real Estate department at Shaw is that we have different things we do every single day. We learn all about our 500 properties, whether it's a hubsite or a headend, which are technical sites – we have offices, warehouses. Every day is a brand new day and it's a new challenge. It's really exciting and fun.

What motivates me to come to work every day at Shaw is all the excitement of all the different people we have working here – all the great personalities. Everybody I come across is eager to provide an excellent customer experience whether it's internally or externally.
