CAPITAL STRUCTURE, DIVIDENDS AND RELATED MATTERS

1. Description of Capital Structure

(a) General

The authorized share capital of the Corporation consists of a limited number of Class A Participating Shares (the “**Class A Shares**”), which are voting, as described below; an unlimited number of Class B Non-Voting Participating Shares (the “**Class B Non-Voting Shares**”; and, together with the Class A Shares, the “**Shaw Shares**”); an unlimited number of Class 1 Preferred Shares (the “**Class 1 Preferred Shares**”) issuable in series; and an unlimited number of Class 2 Preferred Shares (the “**Class 2 Preferred Shares**”) issuable in series. As at August 31, 2009, there were 22,520,064 Class A Shares, 407,717,782 Class B Non-Voting Shares and no preferred shares outstanding.

(b) Class A Shares and Class B Non-Voting Shares

(i) Authorized Number of Class A Shares

The authorized number of Class A Shares is limited to the lesser of that number of such shares (i) currently issued and outstanding; and (ii) that may be outstanding after any conversion of Class A Shares into Class B Non-Voting Shares (subject to certain conversion rights as described below under the heading “Conversion Privilege”).

(ii) Voting Rights

The holders of Class A Shares are entitled to one vote per share at all meetings of shareholders. The holders of Class B Non-Voting Shares are entitled to receive notice of, to attend, and to speak at all meetings of shareholders but are not entitled to vote thereat except as required by law and except upon any resolution to authorize the liquidation, dissolution and winding-up of Shaw or the distribution of assets among the shareholders of Shaw for the purpose of winding up its affairs, in which event each holder of Class B Non-Voting Shares will be entitled to one vote per share.

(iii) Dividends

In general, subject to the rights of any preferred shares outstanding from time to time, holders of Class A Shares and Class B Non-Voting Shares are entitled to receive such dividends as the Board of Directors of Shaw determines to declare on a share-for-share basis, as and when any such dividends are declared or paid, except that, during each Dividend Period

(as defined below), the dividends (other than stock dividends) declared and paid on the Class A Shares will always be \$0.0025 per share per annum less than the dividends declared and paid in such Dividend Period to holders of the Class B Non-Voting Shares, subject to proportionate adjustment in the event of any future consolidations or subdivisions of Shaw Shares and in the event of any issue of Shaw Shares by way of stock dividends. A “Dividend Period” is defined as the fiscal year of Shaw or such other period, not to exceed one year, in respect of which the directors of Shaw have announced a current policy to declare and pay, or set aside for payment, regular dividends on the Shaw Shares.

(iv) *Rights on Liquidation*

In the event of the liquidation, dissolution or winding-up of Shaw or other distribution of assets of Shaw for the purpose of winding up its affairs, all property and assets of Shaw available for distribution to the holders of Shaw Shares will be paid or distributed equally, share for share, to the holders of Shaw Shares without preference or distinction.

(v) *Conversion Privilege*

Any holder of Class A Shares may, at any time or from time to time, convert any or all Class A Shares held by such holder into Class B Non-Voting Shares on the basis of one Class B Non-Voting Share for each Class A Share so converted. Subject to certain exceptions described below, if an Exclusionary Offer is made, any holder of Class B Non-Voting Shares may, at any time or from time to time during a Conversion Period, convert any or all of the Class B Non-Voting Shares held by such holder into Class A Shares on the basis of one Class A Share for each Class B Non-Voting Share so converted. For the purpose of this paragraph, the following terms have the following meanings:

“*Class A Offeror*” means a person or company that makes an offer to purchase Class A Shares (the “bidder”), and includes any associate or affiliate of the bidder or any person or company that is disclosed in the offering document to be acting jointly or in concert with the bidder;

“*Conversion Period*” means the period of time commencing on the eighth day after the Offer Date and terminating on the Expiry Date;

“*Exclusionary Offer*” means an offer to purchase Class A Shares that:

(A) must, by reason of applicable securities legislation or the requirements of a stock exchange on which the Class A Shares are listed, be made to all or substantially all holders of Class A Shares who are residents of a province of Canada to which the requirement applies; and

(B) is not made concurrently with an offer to purchase Class B Non-Voting Shares that is identical to the offer to purchase Class A Shares in terms of price per share and percentage of outstanding shares to be taken up exclusive of shares owned immediately prior to the offer by the Class A Offeror, and in all other material respects (except with respect to the conditions that may be attached to the offer for Class A Shares), and that has no condition attached other than the right not to take up and pay for shares tendered if no shares are purchased pursuant to the offer for Class A Shares, and for the purposes of this definition if an offer to purchase Class A Shares is not an Exclusionary Offer as defined above but would be an Exclusionary Offer if it were not for this sub-clause (B), the varying of any term of such offer shall be deemed to constitute the making of a new offer unless an identical variation concurrently is made to the corresponding offer to purchase Class B Non-Voting Shares;

“*Expiry Date*” means the last date upon which holders of Class A Shares may accept an Exclusionary Offer;

“*Offer Date*” means the date on which an Exclusionary Offer is made; and

“*Transfer Agent*” means the transfer agent for the time being of the Class A Shares.

Subject to certain exceptions, the foregoing conversion right shall not come into effect if:

(A) prior to the time at which the offer is made there is delivered to the Transfer Agent and to the Secretary of Shaw a certificate or certificates signed by or on behalf of one or more shareholders of Shaw owning in the aggregate,

as at the time the Exclusionary Offer is made, more than 50% of the then outstanding Class A Shares, exclusive of shares owned immediately prior to the Exclusionary Offer by the Class A Offeror, which certificate or certificates shall confirm, in the case of each such shareholder, that such shareholder shall not:

- a. tender any shares in acceptance of any Exclusionary Offer without giving the Transfer Agent and the Secretary of Shaw written notice of such acceptance or intended acceptance at least seven days prior to the Expiry Date;
- b. make any Exclusionary Offer;
- c. act jointly or in concert with any person or company that makes any Exclusionary Offer; or
- d. transfer any Class A Shares, directly or indirectly, during the time at which any Exclusionary Offer is outstanding without giving the Transfer Agent and the Secretary of Shaw written notice of such transfer or intended transfer at least seven days prior to the Expiry Date, which notice shall state, if known to the transferor, the names of the transferees and the number of Class A Shares transferred or to be transferred to each transferee; or

(B) as of the end of the seventh day after the Offer Date there has been delivered to the Transfer Agent and to the Secretary of Shaw a certificate or certificates signed by or on behalf of one or more shareholders of Shaw owning in the aggregate more than 50% of the then outstanding Class A Shares, exclusive of shares owned immediately prior to the Exclusionary Offer by the Class A Offeror, which certificate or certificates shall confirm, in the case of each such shareholder:

- a. the number of Class A Shares owned by the shareholder;
- b. that such shareholder is not making the offer and is not an associate or affiliate of, or acting jointly or in concert with, the person or company making the offer;
- c. that such shareholder shall not tender any shares in acceptance of the offer, including any varied form of the offer, without giving the Transfer Agent and the Secretary of Shaw written notice of such acceptance or intended acceptance at least seven days prior to the Expiry Date; and
- d. that such shareholder shall not transfer any Class A Shares, directly or indirectly, prior to the Expiry Date without giving the Transfer Agent and the Secretary of Shaw written notice of such transfer or intended transfer at least seven days prior to the Expiry Date, which notice shall state, if known to the transferor, the names of the transferees and the number of Class A Shares transferred or to be transferred to each transferee; or

(C) as of the end of the seventh day after the Offer Date, a combination of certificates that comply with either clause (a) or (b) from shareholders of Shaw owning in the aggregate more than 50% of the then outstanding Class A Shares, exclusive of shares owned immediately prior to the Exclusionary Offer by the Class A Offeror, has been delivered to the Transfer Agent and to the Secretary of Shaw.

(vi) Modification

Neither class of Shaw Shares may be subdivided, consolidated, reclassified or otherwise changed unless contemporaneously therewith the other class of Shaw Shares is subdivided, consolidated, reclassified or otherwise changed in the same proportion and in the same manner.

(vii) Offer to Purchase

Shaw may not make an offer to purchase any outstanding Class A Shares unless at the same time it makes an offer to purchase, on the same terms, an equivalent proportion of the outstanding Class B Non-Voting Shares.

(viii) Redemption

The Shaw Shares are not redeemable at the option of either Shaw or the holder of any such Shaw Shares.

(c) Class 1 Preferred Shares

The Class 1 Preferred Shares are issuable in one or more series. The Board of Directors may fix from time to time before such issue the number of shares which is to comprise each series then to be issued and the designation, rights, conditions, restrictions and limitations attaching thereto, including, without limiting the generality of the foregoing, the rate of preferential dividends and whether or not such dividends shall be cumulative, the dates of payment thereof, the redemption price and terms and conditions of redemption (including the rights, if any, of the holders of the Class 1 Preferred Shares of such series to require the redemption thereof), conversion rights (if any) and any redemption fund, purchase fund or other provisions to be attached to the Class 1 Preferred Shares of such series.

The shares of each successive series of Class 1 Preferred Shares shall have preference over the Class A Shares and Class B Non-Voting Shares as to dividends of not less than 1/100th of a cent per share, and shall not confer upon the shares of one series a priority over the shares of any other series of the Class 1 Preferred Shares in respect of voting, dividends or return of capital. If any amount of cumulative dividends or any amount payable on return of capital in respect of shares of a series of the Class 1 Preferred Shares is not paid in full, the shares of such series shall participate rateably with the shares of all other series of Class 1 Preferred Shares in respect of accumulated dividends and return of capital.

(d) Class 2 Preferred Shares

The Class 2 Preferred Shares are issuable in one or more series. From time to time before any such issue, the directors may fix the number of shares which is to comprise each series then to be issued and the designation, rights, conditions, restrictions or limitations attaching thereto, including, without limiting the generality of the foregoing, the rate of preferential dividends, and whether or not the same shall be cumulative, the dates of payment thereof, the redemption price and terms and conditions of redemption (including the rights, if any, of the holders of Class 2 Preferred Shares of such series to require the redemption thereof), conversion rights (if any), and any redemption fund, purchase fund or other provisions to be attached to the Class 2 Preferred Shares of such series.

The shares of each successive series of Class 2 Preferred Shares shall have preference over the Class A Shares and Class B Non-Voting Shares (but shall rank junior to the Class 1 Preferred Shares) as to dividends and shall not confer upon the shares of one series a priority over the shares of any other series of Class 2 Preferred Shares in respect of voting, dividends or return of capital. If any amount of cumulative dividends or any amount payable on return of capital in respect of shares of a series of Class 2 Preferred Shares is not paid in full, the shares of such series shall participate rateably with the shares of all other series of the Class 2 Preferred Shares in respect of accumulated dividends and return of capital.

(e) Share Constraints

The statutes which govern the provision of broadcasting and telecommunications services by Shaw and its regulated subsidiaries impose restrictions on the ownership of shares of the Corporation and its regulated subsidiaries by persons that are not Canadian. In order to ensure that the Corporation and its regulated subsidiaries remain eligible or qualified to provide broadcasting and telecommunications services in Canada, the Articles of the Corporation require its directors to refuse to issue or register the transfer of any Class A Shares to a person that is not a Canadian if such issue or transfer would result in the total number of such shares held by non-Canadians exceeding the maximum number permitted by applicable law. In addition, the directors of Shaw are required to refuse to issue or register the transfer of any Class A Shares to a person in circumstances where such issue or transfer would affect the ability of the Corporation and its regulated subsidiaries to obtain, maintain, amend or renew a license to carry on any business. The Articles of the Corporation further provide that if, for whatever reason, the number of Class A Shares held by non-Canadians or other such persons exceeds the maximum number permitted by applicable law or would affect the ability to carry on any licensed business, Shaw may, to the extent permitted by corporate or communications statutes, sell the Class A Shares held by such non-Canadians or other persons as if it were the owner of such shares. The Articles of the Corporation also give its directors the right to refuse to issue or register the transfer of shares of any class in the capital of the Corporation if (i) the issue or the transfer requires the prior approval of a regulatory authority unless and until such approval has been obtained; or (ii) the person to whom the shares are to be issued or transferred has not provided Shaw with such information as the directors may request for the purposes of administering these share constraints.

In accordance with the terms and conditions of such shares, the dividends (other than stock dividends) declared and paid on the Class A Shares shall be \$0.0025 per share per annum less than the dividends declared and paid to holders of the Class B Non-Voting Shares. 3. Ratings

The following table sets forth the ratings assigned to the Corporation’s senior note obligations by DBRS Limited (“*DBRS*”), Standard & Poor’s Ratings Services (“*S&P*”) and Moody’s Investors Services, Inc. (“*Moody’s*”):

<u>Security</u>	<u>DBRS⁽¹⁾</u>	<u>S&P⁽²⁾</u>	<u>Moody’s⁽³⁾</u>
Senior Notes	BBB (stable)	BBB– (stable)	Baa3 (stable)

Notes:

- (1) DBRS’ credit ratings are on a long-term debt rating scale that ranges from AAA to D, which represents the range from highest to lowest quality of such securities rated. A rating of BBB by DBRS is the fourth highest of ten categories and is assigned to debt securities considered to be of adequate credit quality. Protection of interest and principal is considered acceptable, but the entity is fairly susceptible to adverse changes in financial and economic conditions, or there may be other adverse conditions present which reduce the strength of the entity and its rated securities. The assignment of a “(high)” or “(low)” modifier within each rating category indicates relative standing within such category. The “high” and “low” grades are not used for the AAA and D categories.
- (2) S&P’s credit ratings are on a long-term debt rating scale that ranges from AAA to D, which represents the range from highest to lowest quality of such securities rated. A rating of BBB by S&P is the fourth highest of ten major categories. According to the S&P rating system, an obligor with debt securities rated BBB has adequate capacity to meet its financial commitments. However, adverse economic conditions or changing circumstances are more likely to lead to a weakened capacity of the obligor to meet its financial commitments. The addition of a plus (+) or minus (-) designation after a rating indicates the relative standing within a particular rating category.
- (3) Moody’s credit ratings are on a long-term debt rating scale that ranges from Aaa to C, which represents the range from highest to lowest quality of such securities rated. A rating of Baa by Moody’s is the fourth highest of nine categories and denotes obligations judged to have speculative elements and which are subject to substantial credit risk. The addition of a 1, 2 or 3 modifier after a rating indicates the relative standing within a particular rating category. The modifier 1 indicates that the issue ranks in the higher end of its generic rating category, the modifier 2 indicates a mid-range ranking and the modifier 3 indicates that the issue ranks in the lower end of its generic rating category.

Credit ratings are intended to provide investors with an independent measure of the credit quality of an issue of securities. The foregoing ratings should not be construed as a recommendation to buy, sell or hold the securities, in as much as such ratings do not comment as to market price or suitability for a particular investor. There is no assurance that any rating will remain in effect for any given period of time or that any rating will not be revised or withdrawn entirely by a rating agency in the future if in its judgment circumstances so warrant, and if any such rating is so revised or withdrawn, the Corporation is under no obligation to update this Annual Information Form.
