**Inspirational 30**  
Inspirational figures from all walks of life chat with Jim Gardiner about personal growth and how to be the best possible version of themselves.

**Changing Landscapes VI**  
Dominik Modlinski & Scott Wilson travel Vancouver Island on motorbike, exploring the communities & meeting the people from north to south.

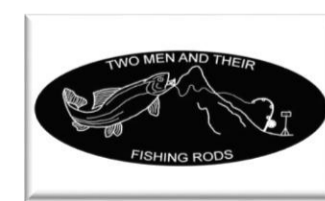

**Voice of BC**  
Voice of BC, Shaw TV's weekly public affairs program, has been produced for the past 15 years. The program gives British Columbians the opportunity to hear from top politicians in B.C.

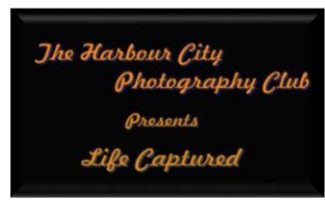

**The Show**  
An in studio show, shot in the Shaw TV studio every other week. Tune in for relevant community topics, fun and interesting characters and local musical performers.

**The Community Producers**  
Explore your community in this fun, fast paced show featuring different volunteer producers from your community.

**2 Men With Fishing Rods**  
Join Nathan and Tyler as they find some of the best and most secluded lakes on the Island, show you how to get there, and show you some tricks to fish them.

**Life Captured**  
A collection of photos from the Harbour City Photography Club.

**Painting The Island**  
Michael Schutte, Dutch Master Painter, paints hot spots on Vancouver Island. He shares his skills and techniques, mixed with a bit of "Dutch humour".

**VI Sports**  
VI Sports goes beyond the scoreboard and dives into the various sports communities across Vancouver Island.
